

	Needs Improvement - 1	Progressing - 2	Advanced - 3
Written Response/Post/Project 	☐ The written response provided shows a complete gap in understanding of the following standard/concept: ☐ The written response is not leveraging any evidence or artifacts to support its claim when applicable	☐ The written response provided shows only partial mastery of the following standard/concept: ☐ Elements missing toward mastery are: ☐ _____ ☐ _____ ☐ The written response is not leveraging enough evidence and artifacts to support its claim when applicable	☐ The written response provided shows mastery of the following standard/concept: ☐ The written response is leveraging appropriate evidence and artifacts to support its claim when applicable
Audio or Video Recording Supporting Written Piece 	☐ The audio/video response is missing or it shows a complete gap in understanding of the following standard/concept (even if the written response seemed to indicate a higher level of mastery) ☐ The audio/video response is not leveraging any evidence or artifacts to support its claim when applicable	☐ The audio/video explanation provided shows only partial mastery of the following standard/concept (even if the written response seemed to indicate mastery): ☐ Elements missing toward mastery are: ☐ _____ ☐ _____ ☐ The audio/video explanation is not leveraging enough evidence and artifacts to support its claim when applicable	☐ The audio/video explanation provided confirms the mastery level shown by students in written/uploaded response (or establishes it as a standalone piece) of the following standard/concept: ☐ The audio/video explanation is leveraging appropriate evidence and artifacts to support its claim when applicable

Optional: Collaborative Effort

- ☐ The product submitted by the group shows **no evidence that every member of the group:**
 - ☐ Contributed to the product submitted
 - ☐ Is able to display individually the level of mastery shown by the group task

- ☐ The product submitted by the group shows **only partial evidence that every member of the group:**
 - ☐ Contributed to the product submitted
 - ☐ Is able to display individually the level of mastery shown by the group task

- ☐ The product submitted by the group shows **clear evidence that every member of the group:**
 - ☐ Contributed to the product submitted
 - ☐ Is able to display individually the level of mastery shown by the group task
