First Team Meeting & Playing Time:

- There will be a Parent Meeting soon after tryouts to talk through all of the rules, expectations, calendar commitments, and structure of the team. Practice arrival time will start at 5:30 PM and once we transition to pre-practice off-ice work around Thanksgiving, then it might be earlier. We understand that this could conflict with work/school/traffic, so if you have a concern please reach out and we can find a solution.
- The Raiders have an Effort & Attendance policy, which you can find on the website.
- Player behavior on and off the ice can impact playing time, as well as Absences and Lateness.
