Beauty and the Beast Jr.

What a show! *Beauty and the Beast Jr.* was a resounding success, and our students should be incredibly proud of their hard work and dedication. From remembering their lines to delivering solos and bringing their characters to life with impressive acting, they truly did a fantastic job! We are so fortunate to have Mrs. Scott, Mme Zarrabi Yan, Mme Munro, and countless others who poured hours and hours and hours into making this production unforgettable. Now, it's time for a well-deserved rest—bravo to all!

Cookie and Popcorn Sales

The Equity and Inclusion Club & The Pride Awareness Group (PAG) have started selling cookies and popcorn

every Wednesday and Friday for \$2 during the second nutrition break. Cookies will be for sale until mid-May and proceeds from the fundraiser will go towards school activities and presenters.

Live Free Day - March 7th

The Keeping Kids Fed at School Program brings healthy food to hungry minds. JDH offers a daily snack program and lunch programs throughout the month. Campaigns like [Live Free](#) help us continue to meet the growing need within our school community and ensure those most in need feel supported. Please refer to **school cash online** to donate to our school's nutrition program. You can also [Click here](#) to make a donation to our school's Live Free campaign through the Children's Foundation if you would like a tax receipt for donations of \$20 or more. Please remember to select our school from the drop-down list so that your donation will be directed to our school's nutrition program.

Dance-a-thon - March 7th

We are getting excited for this year's dance-a-thon on March 7th hosted by School Council. All funds raised will be going towards Arts Day. Snacks and beverages will be for sale for an average cost of \$1-\$2. If you are interested in donating, you can do so through school cash online or send donations in a sealed envelope and have your child give it directly to their teacher.

School Council will be running a Fresh Box Fundraiser after March Break. Support local, get fresh fruits and veggies and support the school. It's a win win win! Stay tuned for more information.
