[D] [G] [D] [G]

The [D] day that I first met you
I held you in the palm of my [G] hand
And [D] from that moment onward
I knew that we would be the best of [G] friends
And though you [Em] started as a [A] Christmas gift
to [F#]set beneath the [Bm] tree
You know you [Em] really were a gift from God to [C] me [A7sus4][A7]

We [D] walked through fields and forests
we'd hit the trail in sun and wind and [G] rain
When [D] I was at my lowest
you licked my hand and raised me up again [G]
[Em] But time passed much too [A7] quickly
and you [F#] know just what you [Bm] did
You took a [Em] piece of my broken heart
[A7sus4][A7] beyond the rainbow [D] bridge.

[Bm]I'm not sure what heaven's like
I'm not [G] sure how [A7sus4] things will [D] be
But if we [Bm] won't be together
it won't [G] feel like [A7sus4] heaven to [D] me
[Em] But if the Lord be [D] willing
I'll hear your [G] welcome bark again [D]
[Em] And see you running [D] to me
through the [G] golden fields of [A7sus4]grain [A7]

[D] [G] [D] [G]

Most [D] faithful of companions
you'd been with me in sickness and in [G] health
You [D] always loved to see me
even when I couldn't really love myself [G]
And when you [Em] licked my hand that [A7] one last time
then you [F#] know just what you [Bm] did
You took a [Em] piece of my broken heart
[A7sus4][A7] beyond the rainbow bridge [Bm][Bm6]
You took a [Em] piece of my broken heart
[A7sus4][A7]beyond the rainbow [D] bridge [G][D][G][D]
