

Seeding Tournament October 1 @ Lethbridge College

- Consideration was taken to place teams in their desired division, as well as provide all teams with close to the same number of matches and opportunities to play into alternate divisions. Teams will know their respective starting division for league play, after the culmination of the seeding tournament.

- All teams will have the opportunity to move up or down divisions depending on their performance at the seeding tournament, as well as after rotational play during our season. (There are 3 rotations)

- All Teams are guaranteed a minimum of 3 matches.

- Teams are responsible for providing their own warm-up balls.

- ALL round-robin matches will consist of TWO games played to 25, win by 2, and capped at 27. Pool standings will be adjusted first based on games won/lost. Tie breaks will be decided first by points for/against btw tied teams then by overall points for/against if needed.

- **After every match teams are responsible for recording your games scores on the provided recording sheets hanging on the wall near Court 2 (Centre Gym).**

- **Teams must be ready to play by the designated start time. Teams unable to court a full team 10 minutes after the designated start team will forfeit the first set. 20 minutes for the second set.**

- Teams will be placed into their respective A/B/C divisions by their performance in pool play.

- League play will start the week directly following our Seeding Tournament. A division plays Thursdays at “Catholic Central Campus West”, B Division plays Tuesdays at the "Fritz Sick”. C division plays Wednesdays at the “Fritz Sick”.
    - The Rotation 1 Blanket Schedule should be posted on the website, so you can determine when you play Week 1, if you take your exit seeding and apply it to the schedule. An updated schedule with seedings will be posted on the website shortly after the tournament.
