

# Custom Course Bundles – The IV-Infusion Clinic Course

By purchasing more than one course at a time, you can save a lot of money on your overall investment into your business and career. No other course company provides bundles at these types of discounts. Our goal at The Elite NP is to help you succeed and get your practice off the ground... affordably!

Select the courses you are interested in below and you will see the discounts show up in real time based on the discount rates in the table below. Add them to your cart and once purchased you will be automatically enrolled into the courses for immediate viewing! Remember, all Elite NP courses can be accessed indefinitely!
