WELDING TECHNOLOGY
Program Advisory Committee Meeting Agenda
October 22, 2026
Room 127
(2pm-3pm)

1. Welcome by Eric Relation / Welding Instructor
2. Update Contact info.
3. Budgeting
 - a. What equipment needs does the advisory committee foresee the program needing in the next 3-5 years?
 - b. What technology/software does the advisory committee foresee the program needing in the next 3-5 years?
4. Program Curriculum (we are working on updated curriculum maps and this information will support that work)
 - a. What important concepts should be included in the curriculum?
 - b. What career readiness skills are most valuable in your workplace?
 - c. Review the IRCs (Tier 1 & 2) and/or college credit offerings for your program. Does the advisory committee feel that this is what is needed at this time? Are there others we should consider?
5. Workforce Development needs
 - a. What workforce development needs can our program address?
 - b. What adult education offerings would help support workforce development in Central Vermont?
