

Mungret St Pauls Camogie Club Notes

21/04/2024

Limerick Camogie:

Well done to the MSPCamogie girls Clodagh Nestor, Sarah Horgan, Molly Tobin and Jayne Casey (Vice Captain) and the entire Limerick Camogie U17 development squad who this weekend played Kildare in the All Ireland Development Series.

U10 Camogie:

Our U10s were chomping at the bit to get to Ballybrown G.A.A Club on Saturday for a busy morning of camogie!

The weather made a great day even better as there were plenty of competitive matches played between the 3 #MSPCamogie teams, hosts Ballybrown, Treaty Gaels and Bruff.

Thanks so much for having us and to all the coaches, parents and of course players who made it a very enjoyable morning!

Féile na NGael 2024:

Hard luck to our U15s camogie team. Tough day at the office on Saturday, but they battled hard in a tough group, lead by Captain Saoirse Aherne. Well done to referee John O'Donnell who's put in a long shift in the heat in Killeedy Camogie Club and of course hats of to everyone at Limerick Camogie for all the organisation that goes into organising weekends like this, they don't happen by themselves.

Great to see so many camogie players out doing their clubs proud!

U12 Camogie:

There was a great buzz around the senior pitch on Thursday night at #MSPCamogie HQ as Round 1 of the U12 games got underway!

Our Foster Construction & Analog Devices, Inc. sponsored teams welcomed Adare for some really competitive games!

Well done to you all girls, keep her lit!
