

## About Me

Hello! I'm Shoaib Sadiq Salehmohamed, a junior developer at Kmitra. I enjoy creating solutions that blend creativity with technology, and I'm passionate about fostering collaboration between writers, designers, and developers. My goal is to take Kmitra to the next level as your representative.

## Vision

I envision Kmitra as more than just a magazine. It should be a **hub for creativity, innovation, and community engagement**, where students can collaborate, showcase their talents, and build skills while contributing to a professional, modern publication.

## Key Proposals

### 1. Building an Active & Vibrant Community

- Organize regular meet-ups, brainstorming sessions, and informal hangouts.
- Create open communication channels for ideas, feedback, and collaboration.

### 2. Multi-Platform Publications

- Expand Kmitra beyond the e-magazine by publishing on Medium, LinkedIn, Instagram, and other platforms.
- Make Kmitra the **public face of our college's creativity**, reaching wider audiences.

### 3. Cross-Functional Collaboration

- Encourage writers, designers, and developers to work together on projects.
- Build a **cohesive society** where everyone's skills complement each other, creating stronger, more engaging content.

### 4. Skill Development & Workshops

- Conduct workshops in writing, design, coding, and other creative tools.
- Invite alumni and industry professionals for mentorship and guidance.

### 5. Recognition & Motivation

- Introduce a monthly "Spotlight" for the best contributions in writing, design, and development.
- Motivate members through acknowledgment, rewards, and friendly competitions.

### 6. Interactive & Modern E-Magazine

- Add multimedia content including videos, animations, audio clips, and interactive quizzes.
- Make Kmitra **engaging, interactive, and enjoyable** for readers.

## 7. Inclusive Contributions & Engagement

- Open submissions to students beyond Kmitra, allowing everyone to contribute.
- Organize contests, polls, and challenges to encourage **college-wide participation**.

## 8. Mentorship & Sustainable Growth

- Implement a mentorship system where senior members guide juniors in their creative and technical contributions.
- Ensure a **pipeline of talent** for Kmitra's future editions.

## 9. Transparency & Feedback

- Maintain regular updates on ongoing projects, progress, and upcoming features.
- Collect feedback from team members and readers to **continuously improve** processes and outputs.

## 10. Archiving & Legacy

- Maintain an online archive of past editions for reference and inspiration.
- Enable new members to learn from previous work and **build on past achievements**.

## What I Will Do as Representative

- Facilitate cross-functional collaboration between writers, designers, and developers.
- Lead initiatives to expand Kmitra's reach through multiple platforms.
- Organize workshops, contests, and mentorship programs.
- Implement a system for feedback, recognition, and team growth.
- Modernize the e-magazine with interactive content, multimedia features, and a professional design.
- Ensure a fun, inclusive, and motivated community culture.

## Closing Statement

With your support, I will make Kmitra **more interactive, collaborative, and visible** than ever before. Together, we can create a magazine and community that truly represents the creativity, talent, and spirit of our college.
