

Directions for PowerSchool App

Before accessing the Public Portal through Pearson's App, parents are to follow the Public Portal directions received from the school to **create an account** at jcsnc.powerschool.com/public. Initial account creation must be complete before using Pearson's app. Students, on the other hand, can immediately login using the credentials from the school letter. Click [here](#) for an example Public Portal letter.

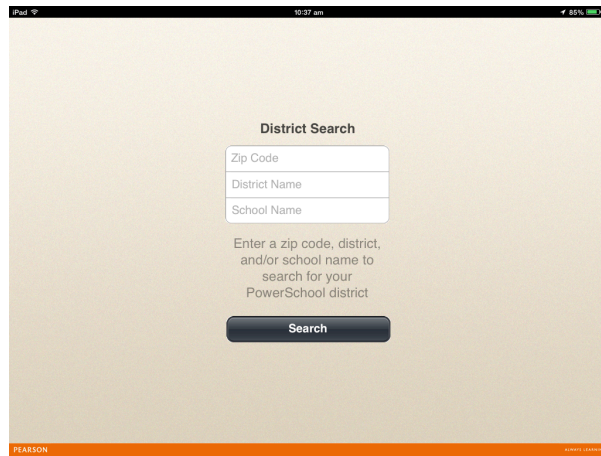

To watch a video tutorial, please click [here](#).

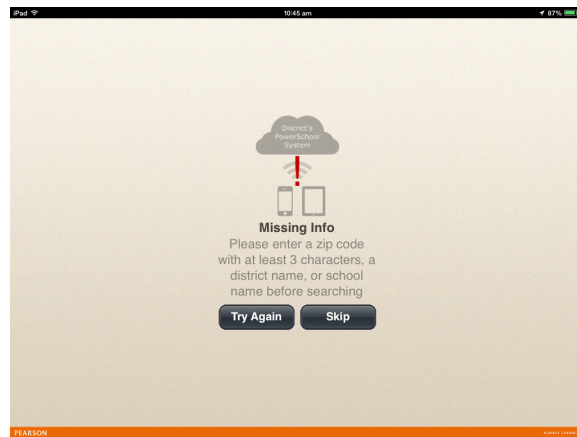

1. Download PowerSchool iOS app.
2. Launch the app > follow the swiping directions. The app will let you know it must connect to the school district's PowerSchool System.
3. If you are using a **Google Play** app, move to step 4. If you are using an **Apple** app, move to step 5.
4. From the Google Play app, tap **Manually Enter Settings** > jcsnc.powerschool.com then skip to step 9.

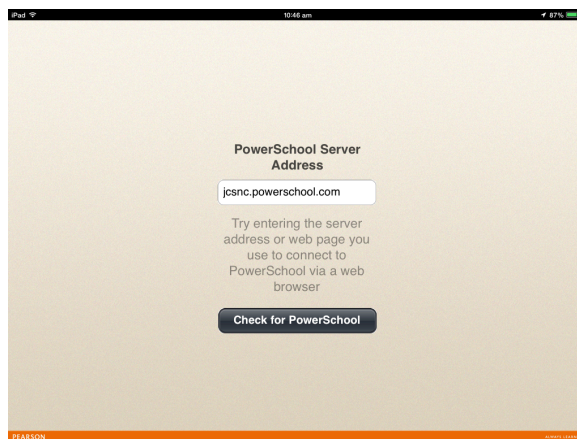

5. You will not see Johnston County Schools. **Tap I don't see my district.**
6. At the District Search screen, do not enter any information. Simply tap **Search**.

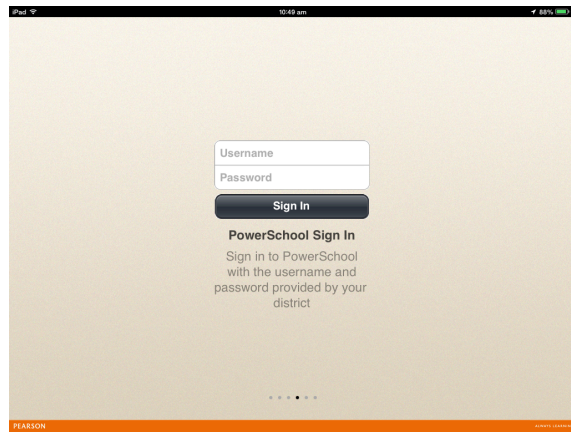

7. The app will tell you it is missing Info. Tap **Skip**.

8. Enter the direct PowerSchool Server Address for Johnston County Schools: jcsnc.powerschool.com > tap on **Check for PowerSchool**.

9. The app will connect to the JCS server (be patient during this process. It can take up to two minutes depending on your Wi-Fi or cellular network strength)
10. Enter your **username** and **password** you *created* when you made a Public Portal account. Refer to the beginning of this document for more information.

11. PowerSchool will walk you through the remaining steps > Click Get Started!
