

NEW STUDENT ADMISSION
DOCTORAL PROGRAM IN SHARIA ECONOMICS
2023 - 2024

Accreditation & Honorary Titles

Accredited B, 3316/SK/BAN-PT/Akred/D/IX/2019.

Title: **Doktor (Dr)**

Introduction

The integration of economics and business directs this program study to carry out research based on a transdisciplinary approach, especially Wahdatul ‘Ulum which aims to produce conceptual and methodological knowledge in a synthetic manner that reflects the integration and collaboration of two or more scientific disciplines with Islamic sciences. This means that the education system, economics research, and Sharia accounting are integrated and collaborate with other scientific disciplines, such as Ushul Fiqh, Fiqh, monetary, financial management, and so on.

Vision

The vision of the Doctoral program in Sharia Economics is “A Doctoral study program that excels in the integration of economics and business based on Islamic and Indonesianness in creating a learning society and contributing to National Independence in Southeast Asia in 2039.”

Mision

- a. To produce Sharia Economics graduates who have a competitive advantage in global competition.

- b. To carry out education and teaching in the field of Sharia Economics and Business in a comprehensive, holistic, and integrative manner.
- c. To carry out research in the field of Sharia Economics and Business through sustainable multidisciplinary and transdisciplinary based on Wahdatul ‘Ulum.
- d. To carry out community service by contributing ideas based on the study of Sharia Economics and Business to solve national issues and enrich world civilization.
