## **I. Public Comments:**

The public may address the Committee on any topic related to school district activities. All speakers must first be recognized by the Chairperson, and state their name and role within the community prior to their comments. The total time allocated for each person wishing to speak will be three (3) minutes. The Committee shall take no action nor hold discussion on any item not appearing on the posted agenda, except as authorized by law. Without taking action, Committee members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a Committee member may ask a question for clarification or make a brief statement relative to the comment. (Government Code 54954.2)  
The public may address the Committee on each agenda item as it is considered. Following the initial presentation of the item and discussion by the Committee, public comment will be solicited according to the guidelines outlined above. After initial public comment on agenda items, the topic returns to the Board for discussion, action, or other appropriate disposition.
