

Name,

Please join me at the Campus Outreach Vision Banquet on **Wednesday March 26th, 2025 at 6:30 PM at Bowen-Thompson Student Union, Room 228, 1001 E Wooster St. Bowling Green, Ohio.**

In the US in the last fall semester, 2.2 million freshmen students arrived on campus. They will encounter some of the greatest opportunities and challenges in their lives. Of the students who claim to be Christian, over 75% will abandon their faith in the next four years. Of those who don't identify as Christian, 40% identify as secular "nones" with no faith commitments.

As a partner in this ministry, I am passionate about how God is using Campus Outreach to reach the next generation of leaders with the Gospel of Jesus Christ and equip them to serve Him and others for the rest of their lives. I'd love for you to know more about the ministry and join me at the banquet to worshipfully reflect on the impact God has had on the college campus through this ministry.

Campus Outreach

Campus Outreach is a network of ministries, each under the authority of a local church, targeting 125 strategic campuses in the United States and throughout the world. Since 2012, Campus Outreach staff have been serving students at Ohio State University and Bowling Green State University, and the University of Cincinnati!

The Vision Banquet

Each year men and women on campuses are discovering a new life with Christ, growing as His disciples, and launching out into both the marketplace and the mission field with vision and training to reproduce leaders for a lifetime. At the banquet, you will discover the stories, leaders, and impact that God is authoring through this ministry, and be extended an invitation to invest in this strategic and growing movement.

To RSVP

Please [RSVP here](#) by March 14th so we can save your seat. You can also find more information on [the event website](#). We hope you will be able to join us for this exciting and encouraging evening!

I look forward to having you at my table!

Best,
