Q-Can you do designs on long sleeve shirts or sweatshirts?

A-YES! Almost all of our designs can be done on any type of shirt.

Q-Is this design available in youth & toddler sizes?

A-All designs are not available in youth & toddler sizes. If available in these sizes it will be noted.

Q-Do you ship?

A-YES! We can ship anywhere. Shipping costs vary.

Q-What is your turnaround time?

A-14-21 Business days (Excludes Weekends & Holidays)

Q-Why is your turnaround time so long?

A-Nothing is kept on hand. I am unable to stock every design that I post on Facebook or on my website. All designs/prints & apparel must be ordered for me to complete your order. To cut down on shipping cost I don't order just one (1) transfer or shirt at a time (shipping is often more than the cost of a shirt & transfer combined). I don't want to pass this additional cost on to my customers so, I try to wait until I have a few orders from a vendor before I order transfers, therefore, it sometimes takes a little longer for your order to be completed. I can get shirts much quicker than transfers, so if you need an order by a certain date, please let me know when ordering & I will try my best to have your order completed by the date you need it. Please be aware that in this case there may be a "**Rush**" fee applied to your order.

Q-How do I place an order?

A-Simply comment your order under the picture on the Facebook post or fill out the Google Form if using the website. Include email for invoice.

Q-What methods of payment do you accept?

A-Venmo, CashApp, PayPal, Facebook Pay, & Cash
