Transport to the city center from Antalya airport

1. The **AntRay tram** is the fastest, cheapest, and easiest way to get from the Antalya airport to the city centre. AntRay tram stop is at Terminal 1. If you arrive at Terminal 2 follow the AntRay signs (you can use the free ring bus or take a taxi to go to the tram stop at Terminal 1). Take the AntRay that goes in the direction of the center. Follow the orange line. Get off at the İsmet Paşa stop. You are in the city center right now (7 km to the university).

   AntRay trams operate every 45 minutes between 5:00 am and 8:00 am. After 8:00 am, they operate every 15 minutes until 12:00 am (midnight).

   A single tram ticket costs approximately 1 Euro . If you need to transfer, you have to pay another 1 Euro.

   Credit cards are welcome on the AntRay tram (your credit card needs to be enabled for international transactions).
2. **Bus** from the airport to the city center (“5M Migros” shopping center-2,5 km to the guest house) is the second fastest and cheapest way. Cost around 4 Euros. Find buses named Havaş. Credit cards are welcome in Havaş buses.

3. Take a **yellow taxi**. Taxi is available at each exit door of the airport. With “normal luggage” you will reach quite any point of city centre approximately by 15-20 Euros. Credit cards are welcome at some taxis (need to ask first if needed).
