

Science Evaluation

Name: _____

Part A: Grade Analysis - ALMA - Fill in the chart to show your grade distribution and averages.

# of As	# of Bs	# of Cs	# of Ds	# of Fs

Homework Average	Quiz/Test Average	Final Grade (% & Letter)

If you had any F grades, how many were 0's? _____

Part B: Personal Ratings - Circle a number to rate yourself for each of the areas listed below.

				3 = Always/Great, 2 = Usually/Good, 1 = Fair, or 0 = Never/Poor
3	2	1	0	I follow the class rules by making smart choices, which includes not being disruptive in class and showing respect for teachers and students.
3	2	1	0	I pay attention during science class by listening and following directions.
3	2	1	0	I use my class time wisely – from the start of class to the end.
3	2	1	0	I complete all my assignments, quizzes, and tests on time.
3	2	1	0	I ask for help when needed by asking questions in class or emailing my teacher if I have a problem with an assignment.
3	2	1	0	I do my best on all class work, quizzes, and tests to earn good grades (rather than just doing it to get it done.)
3	2	1	0	I use the resources my teacher provides on mrstomm.com or Google Classroom, such as vocab sets, review games, and class notes.
3	2	1	0	I check my grades on ALMA and my school e-mail every day.
3	2	1	0	I use an agenda (or other method) to keep track of my assignments each day.
3	2	1	0	I use my school laptop appropriately (in class and study hall), which includes having permission before playing games or watching videos.
3	2	1	0	I did NOT have to use any excuse cards for late work, charging my computer, or other reasons.

Part C: 2nd Quarter Goal

What grade do you want to earn for 2nd quarter? _____% A B C D F

What will you do to help you earn this grade? List THREE things you will do.

1. _____
2. _____
3. _____

Parent/Guardian Signature: _____ Date: _____
