Summary: the happy couple reunites after spending the day apart doing their favourite hobbies. They are eager to hear about the other's day, and then the conversation turns to a romance book that she recommended to him. (This is a standalone sequel to [Table Manners](#).)

Word count: 1,000

Narrative tone:

1. This is a vanilla couple who occasionally explore kink-lite. Vanilla with sprinkles, if you will. This isn't a Dom/sub relationship.
2. This is a happy couple. Two mentally mature people who are both content to do some hobbies together and some separately.
3. Today they try sexual role-play for the first time. Like most new things, it doesn't go perfectly. They are slightly embarrassed and unsure about what to say.
4. Several places in the script are marked (pet name), where you choose what name to call the listener. The name should either be non-degrading or lightly degrading, he wouldn't say, "You disgusting fuck dolly".

About the setting: this story is set in the American South, present day. If you're a Southerner, feel free to make the dialogue more colloquial. If you aren't, feel free to change some elements to make it sound more natural to where you're from, just update the accent tag.

About the accent: it doesn't matter whether you have a light, deep, or fake Southern accent, or an accent from another place entirely! I appreciate all accents, eh!

Formatting notes:

- Paragraph breaks indicate the speaker is pausing.
- **Bold font** is used for word emphasis.
- **(FX)** is for sound effect suggestions, which are optional.
- **[Square brackets]** are inflection and tone of voice.
- **(Blue text in parentheses)** is scene direction or pronunciation.

Summary of the optional sound effect cues:

- **Sex sounds:** kissing, cunnilingus, speaker receives a blowjob, and moaning wherever you think is appropriate

(Setting: their living room, late afternoon)

[Greeting]

Hey, sugar!

How was art class, what did you work on today?

Can I see?

(Admiring her artwork)

Wow, that's beautiful!

How long did this take to paint?

And the flowers...are those...they're the flowers from your bouquet
(boo-kay), aren't they?

You're so talented.

Are you going to frame it?

You should!

We can put it in the hall.

Then frame it for my office, I'd like that.

(FX: kiss)

I checked on the stew when I got home.

Dinner should be ready in...forty minutes.

Hope you're not hungry now?

[Excited]

It was a great session!

We defeated a boss we've been trying to take down for months.

No, **but** I set up the barbarian for a one-two punch combo that messed him up good, and then **[sheepish]** our cleric got the killing blow.

You're right, a team effort.

I did, a book!

[Excited]

I got the Tome (**towm**, rhymes with "Rome") of Inspiration and Leadership!

It's one of the best magic items for my class, it lets me...

[Sheepish]

I'm being silly, you aren't **that** interested.

No, you aren't, and that is **totally fine**.

You know my character's name and class, and you ask about my sessions.

That's a lot for someone who isn't interested in DnD, I appreciate that you care.

Really?

Well, okay, basically it gives me a bonus to my stats, which makes my magic more powerful.

No no, that would be super broken.

You can only use the book once every hundred years, otherwise the players would read them for a week and become too overpowered for the game.

Exactly.

The bad guys need to stand a chance at winning or it's boring.

The book regains its magic after a century so you can read it again.

[Proud]

I am!

You remembered!

Right, so I can keep it and use it later!

We'll be done before my character gets that old but it's an item he can take into retirement.

[Embarrassed]

Speaking of books, sugar; I started reading the one you recommended. With the uh, sex and stuff.

You know the one!

Anyway...I think it's good.

I've never read something with...role-play before.

But it's kinda sexy!

Right now?

Before dinner?

Um...okay.

I've never done something like this before.

Well, that's different!

Sitting at a table with my friends pretending we're in a dungeon to kill goblins is a lot different than pretending to be someone I'm not to seduce my wife!

But if I pretend to be someone I **am**, how is that role-playing?

Oh!

That's a...really great idea, thank you.

Well, how about this...

[Clear throat]

Ho there, wench!

[Embarrassed]

Honey, we're **role-playing!**

I know you're not a wench!

Another round for my compatriots and I!

Uh...have you not heard of me?

I am a mighty adventurer!

The giant-killer of Lo-tia (lo-tee-ah)?

The slayer of Bolt Fang?

So you **have** heard of me!

Yes!

I am Malrik, the granite-hand mage of Home Townious (town-e-uhs)!

And you, don't tell me.

You are the beauteous barmaid of the Barren Hinterlands!

The minstrels sing of your lusty appetite!

I came to see if the stories were true.

(FX: kissing begins)

By the gods, you're bold!

What's **this** beneath your gown?

Ah-hah, a Bra of Supporting!

(Struggle with the clasp on her bra)

I have slain mighty foes, I will not be defeated by a woman's undergarments!

[Breaking character]

Or maybe I will, turn around for a second.

(Remove her bra)

God, I love your tits.

[Wry]

Well, so much for our first attempt at romantic role-play.

I think there's room for improvement.

(Kissing stops)

[Serious]

Okay, so say we're trying it, seriously this time.

I'm not going to talk like **that**, but that's the part I don't get.

How **am** I supposed to talk?

Okay...so what do I call you?

In your book he said she's a "dirty little slut" but..do you want to be called that?

Okay...

So it's like a private pet name?

Your family isn't going to jump me at the next family dinner, right?

Alright, so...

[Nervous]

(Pet name)?

[More confident]

(Pet name).

How was that?

[Cautious]

Do you...want to give it a try right now?

Just with the pet name and stuff?

Nothing too big?

No, I'm **not** going to talk like a wizard!

I promise.

Unless...

[Suave]

You beg me to.

[Clear throat]

Alright, (pet name).

Why don't you sit your sweet ass down and spread your legs?

Give me what's mine.

(FX: cunnilingus begins)

(Make it last as long as you prefer)

Mmm, sweetheart.

You're trying to ride my mouth, taking it **so well**.

You're so cute when you moan like that.

Such a horny little wife, so needy for me.

[Mock stern]

No whining, sugar.

Take it like a good (pet name).

Sorry honey?

I can't hear you over this wet pussy.

Alright, I promise.

I'll stop...licking...this delicious pussy...in just a minute.

Mmm, you're so wet for me.

Okay sweetheart, I'll stop.

(Cunnilingus ends)

You **always** taste delicious, Ma'am.

We've still got a bit of time before dinner.

Go down on me, sugar.

Finish me off the way I like.

(Blowjob begins)

[Teasing]

Is that so, (pet name)?

I didn't realize you were Ma'am tonight, I must be confused.

Then I didn't mean it when I said it, just spur of the moment.

For someone who's supposed to be sucking my dick, you talk an awful lot...

Mmm, just like that.

That feels so good.

Yeah, I love it when you play with my balls like that.

Mhm, damn right I do.

Yes, sugar.

Yes I want you to suck them.

Please baby!

Just like that!

And work my cock with your hand.

(Blowjob continues for a while)

I can't...I can't think straight when you suck my cock.

I need you so much.

You're such a good (pet name).

You're driving me crazy, I'm going to cum soon.

Mhm.

I'm going to cum and it's going right down your throat again.

Just the way I like it.

Just the way **you** like it too, you dirty little (pet name).

[Concerned]

Shoot, was that too much?

Okay!

Oh shit.

(Getting close to speaker's orgasm)

Get ready sugar.

I'm so close.

Get ready to swallow it, baby.

Because I'm...almost there.

I'm...fuck!

Take it!

(Improvise to speaker's orgasm, cum in her mouth)

Take it all, keep swallowing.

Taste it, baby.

Mmm, good (pet name).

You **are** good.

You're so good at that, and you're so good to me.

Come up here sweetheart.

[Evaluating]

Well, that didn't seem hard!

I liked it.

What did you think?

Okay.

Is it... something you want to try again sometime?

Alright, me too.

(Fade-out)
