

Subject: Requesting observership Opportunity

Dear Dr. []

I hope this message finds you well. My name is [**name**], and I am an international medical graduate with a strong interest in [**specific field**]. I am reaching out to inquire about the possibility of completing an observership under your supervision.

I am eager to learn more about the practical aspects of patient care in the Canadian healthcare system and would greatly value the opportunity to observe your clinical practice. In particular, I am interested in [*something specific about their specialty, clinic, hospital*].

An observership with you would provide invaluable exposure to the clinical environment, enhance my understanding of patient management, and help me grow as a future physician. I am committed to respecting the clinical setting, maintaining professionalism, and adhering to all confidentiality and institutional policies.

I would be grateful for any opportunity to connect with you to discuss this further. Please let me know if there are specific steps or requirements I should complete to be considered.

Thank you very much for your time and consideration. I truly appreciate the work you do and would be honored to learn from your practice.

Warm regards,
[Your Full Name]
