[Arguing]

The blue shell is **not** cheap!

It's a totally legitimate move!

Bullshit!

If you played smarter it wouldn't have hit you!

But noooooo, you just **have** to be in first the whole race.

What do you expect?

Uh huh!

I bet.

This is the last match, loser pays up!

[Threatening]

I'm gonna catch you!

You think your lead's safe but...just you wait.

[Outrage]

You fucker!

I can't believe you used **Lightning!**

That is cheap.

Oh sure, run me over, I don't mind.

No, no, it's cool.

Asshole.

Whatever, I'm still going to win.

One lap left, I'll catch up.

[Taunting]

Is your controller still working?

Cause you're driving like an old lady.

Keep telling yourself that!
Friendship doesn't exist when I'm driving, get over it.

[Taunting]

It'd be a shame if you hit yourself with your own shell.

[Gleeful]

Oh my God, you did!
Have you tried **not** sucking at video games?!

[Victorious]

Hah hah, first!

Nah, I need a break, I'm hungry.

Let's order something.

Personally I think the loser should pay. That's you.

Uh huh.

Then you should pay because I'm still mad at you!

[Mock offended]

You said I was going to, "Die alone with last place carved on my tombstone".

Pft!

You oughta pay **something** for losing.

Well, how do **you** think you should pay up?

Nothing, huh?

How about...the loser gives the winner a kiss.

Very serious.

Something wrong?

[Serious]

Well, I've been thinking.

We've known each other for a long time.

I like you, you like me.

We spend all our free time together anyway.

Don't you ever wonder what it might be like if there was a...little **more** between us?

Because I do.

Yeah!

So...okay, being totally serious?

Forget the bet, forget the match.

Hypothetically, if you kissed me, would it be your first kiss?

I thought so.

Because I've seen you talk to girls, dork.

Do you **want** to kiss me?

Perfect!

I want to kiss you too.

Glad that's settled.

Your wheels stuck or something?

I'm waiting.

(FX: awkward kiss)

I liked it, yeah.

[Reassuring]

Everybody's first kiss is awkward, you did fine.

I bet if you practiced more you'd feel more confident.

With me, dork!

[Exasperated]

Yes.

Do I need a neon sign?!

Finally!

Then kiss me again.

(FX: kissing)

See?

You're learning fast!

(FX: kissing)

How far do you want to take this today?

It's up to you.

[Reassuring]

I know you're a virgin, that's okay.

If you want to, we can do it.

But **only** if you want to.

Don't say yes because you think this is your only chance, it's not.

I'm not the only woman on campus.

But if you like someone else, you need to get over yourself and **talk to her**.

[Uncertain]

Is there someone else?

Okay, good!

You're right.

We've got the place to ourselves, God knows the next time that'll happen.

Uh, I'd rather break you in on the bed.

I'm not ready for trying it in your chair yet, that's advanced-level shit!

Yup, I'm ready.

(FX: she helps him onto the bed)

Three, two, one.

[Grunt]

Comfy?

(FX: kissing)

Personally, I think kissing's underrated.

So we'll need to do it lots.

But there's more to it than that.

Put your hands on me here.

And...here.

Just touch me, explore.

[Scolding]

Hey, hey, hey!

Not under the skirt, not yet! Men!

[Sweet]

Take your time.

Unlike the race you just lost, we're not in a hurry.

Do you need my help?

Okay.

(FX: remove clothing)

Someone's excited to see me.

[Teasing]

Oh, would you?

Then ask me nicely.

Nu uh uh, I think you meant, "Please touch my cock, **Ma'am.**"

Much better.

Ooh, look at it.

Already getting hard, just waiting for me to take it like this...

(FX: hand job begins)

And stroke.

Yup, keep doing that.

If you want your cock sucked you better ask me properly.

Very good.

(FX: blow job begins)

Oh, I'll suck it.

But first I want to lick it...and kiss it...and wow, never heard you make that sound before.

Is this alright?

What else?

Your balls, huh?
Yeah, I'll do that.

I'll be careful.
Just kiss them like this...

Hmm.
Tell you what.
If you want me to deepthroat you, why don't you make me?

(Deepthroating)

I knew you'd be up to the challenge.
What did you think of **that**?

That's what I thought!
Come here.

(FX: kissing)

[Matter-of-fact]

Before we have sex, you need to get me wet.
I'll show you what I like.

I start at the bottom, around the outside, see?
And I stoke up and down.

(FX: vaginal fingering begins)

Nope, not yet.

Just up and down like this, gently.

Yeah.

Now I start touching my clit.

Depends.

Sometimes I like to work it slowly, I'll play with it for a bit, then start fingering myself like...this.

It's going to sound a lot wetter in a minute.

(Fingering pauses)

Alright, you're up.

Take this hand, and put it here...

(FX: vaginal fingering continues)

Start teasing me.

Yup, just like that.

Don't put it inside yet, just go up and down.

That's it, up and down.

Now, keep your finger there.

Right there, right at the top.
Work my clit.

Not so hard, this isn't like jerking your dick.

Mhm, very good.

Okay, now slip your finger inside, slowly.
Tease me with it.

Like that, yeah.

Okay, stop.

(Fingering stops)

I want you to eat my pussy.

It'd be easier if I'm up there, hang on.

(FX: shuffling around on the bed)

Put your hands under my ass.

Ready?

(Cunnilingus begins)

You can if you want to, but I like it better when you lick me up and down.

Mmm, just like that.

Flick my clit with your tongue...

Yes.

Okay, now suck on it.

Mmm, good.

Keep doing that.

(Oral sex continues for a while)

Oh shit, did I pull your hair too hard?

I'm sorry.

Got carried away.

I'll be gentle!

Just like that, mmm.

Keep sucking.

Fuck!

That's enough!

(Oral sex stops)

Okay, get back up here, I wanna ride you.

(FX: shuffling around on the bed)

Hold your cock for me...

Just rub it against my pussy for a second.

Perfect.

Let me...

(FX: vaginal sex begins)

There we go.

How does it feel with the tip of your cock inside me?

Okay, slowly...

Mmm.

I'm going to sit here for a second.

Play with my tits.

Pull on my nipples a bit...

Mmm, yes.

You can do it a little harder.

Perfect.

Yeah it feels good.

How 'bout you?

Good.

I'm going to move now.

Can you rub my clit for me?

(FX: kissing)

Mhm!

I like that!

I like it a lot!

Sure, I can go faster.

(No dialogue for a while)

Riding you feels **good**.

Your cock's so hard, I can feel you twitching inside me, fuck!

(Getting close to the listener's orgasm)

Yeah?

If I keep doing this?

Fuck, I love it when you call me that!

How close?

No, not inside.

Not this time.

Because I...want to...swallow your load.

Yeah, I really do!

Oh fuck!

It's so good!

Alright, stop!

(Vaginal sex stops)

I'm going to suck you off.

When you're ready, just let go, okay?

(FX: blow job begins)

(The listener cums in her mouth)

(FX: swallowing cum)

What did you think?

Me too.
I'm glad.

Definitely!
After lunch though, I'm hungry.

Actually, **wait**.
I think...if you want to pound my pussy again, I think you need to earn it, don't you?

[Thinking]

Well, you did lose the cup.
How about we have a re-match?
If you win, we'll do it again.
If you lose, well...the blue shell will be the least of your worries.
How do blue **balls** sound?

Oh **relax!**
I'm teasing you.
Of course we're doing it again today.
