Broad Category: CHILD FIND

PROCEDURES:

PERSONS RESPONSIBLE: NFPS District Director

NFPS works to ensure students are evaluated and services provided by the child's 3rd birthday. A consultation meeting is held with the family and NFPS. The evaluation referral and consent process is explained to the family. All records are maintained at NFPS District Admin office.

IEP meetings will be held to review all results from the assessment. For those that qualify, services are determined at the initial IEP meeting.
