

Speech Feedback Comments

Use the comments feature  of google docs to add some helpful comments to your buddies speech. The following questions may be of use when constructing your comment. Make sure you include something positive in your comment and something for them to work on/modify!

What you could comment on (aim to make a comment on 3 of these points):

- Introduction - have they included a hook, their own personal opinion and their 3 main points?
- Main body paragraphs - do they have a topic sentence and supporting evidence?
- Have they included research?
- Do they have rhetorical questions or other language features such as repetition for effect?
- Have they got a conclusion with their overall opinion and have left their audience with something to think about?
- Have they included any personal stories or anecdotes?
- Have they included an expert's opinion?
- Have they included statistics?
