

## **UC Berkeley IFC COVID-19 Community Guidelines**

*We, the UC Berkeley Interfraternity Council, pledge to abide by the following guidelines to the best of our ability and will hold ourselves accountable should this pledge be broken. If members expect to be returning to Berkeley to pick up where they left off, we strongly recommend you reconsider returning to campus. All members of our community are expected to follow the city, county, and university guidelines. We understand that these are trying times and we are going to do our best in slowing the spread of COVID-19.*
