# JOSHUA AVILA

## JOB OBJECTIVE

---

I'm a hardworking junior student eager to learn and grow. I have a strong interest in science and technology, with experience volunteering in hands-on roles like managing audio and visual systems at my local church. I enjoy working with others, learning new skills, and taking on challenges. I'm excited to find an opportunity where I can contribute, gain real-world experience, and continue to develop my skills.

## EDUCATION

---

Jurupa Valley High School: 10551 Bellgrave Ave, Jurupa Valley, CA 92509
