
SCCPC D CAMP

Description: D Camp is a fun and educational experience designed for newer Pony Clubbers, D1-D3. Mounted and unmounted campers are welcome! Throughout the weekend the mounted participants will receive mounted lessons as well as unmounted horse management lessons. The unmounted participants will receive unmounted lessons regarding riding topics as well as horse management topics. Horse Management is throughout the weekend with the goal of teaching new members about the Horse Management portion of a Rally and keeping the participants safe and happy. Optional rides and activities will take place Saturday and Sunday afternoons. D1-D3 Certifications are available prior to official rally start time. Requests for taking multiple certifications will try to be accommodated, but the number of candidates will dictate whether those requests can be met.
