I see a woman in the night

With a baby in her hand

Under an old street light

Near a garbage can

Now she puts the kid away, and she's gone to get a hit

She hates her life, and what she's done to it

There's one more kid that will never go to school

Never get to fall in love, never get to be cool.

Keep on rockin' in the free world,

Keep on rockin' in the free world

Keep on rockin' in the free world,

Keep on rockin' in the free world.

(Bass only)

We got a thousand points of light

For the homeless man

We got a kinder, gentler,

Machine gun hand

(Guitar starts in)

We got department stores and toilet paper

Got styrofoam boxes for the ozone layer

Got a man of the people, says keep hope alive

Got fuel to burn, got roads to drive.

Keep on rockin' in the free world,

Keep on rockin' in the free world

Keep on rockin' in the free world,

Keep on rockin' in the free world.
