

# What things will I draw?

- **I will/can draw (I'm interested in drawing things)**
- **I can draw (with references) (I can still draw whatever you want, but providing references or asking is recommended;negotiable)**
- **I can't draw (Means I can't draw anything since I only struggle on how to draw some things I can't do or I might decline the offer as well even if I liked the idea unless if one condition or any under circumstances;will likely change if improved)**
- **I won't draw (I will never draw some things that I find uncomfortable, disturbed or deemed controversial)**
