

Below are the transportations runs for the first three days of Region 9 (8/27-8/29). Each day there will be one bus (Bus Q) and one van (Van 15, white Ford Transit) picking students up. The bus will pick up students that live in town, the van will pick up the students that live out of town.

If your home address is not listed, this means that you will get on and off of the bus at a bus stop. Look for the stop that is closest to your home and that will be your stop. You should be ready for the bus at least 10 mins prior to your pick up time. If you have any questions, please call the transportation office at 369-5560 ext 8223.
