Welcome to a new week, Teacher Titans!!

I am sending this out before our Success Coach PLC. If there is pertinent information shared during our meeting, I will send you a quick update Monday afternoon.

Updates, Reminders, and Instructional Supports...

(Teacher Evaluation Standard III: Teachers Know the Content They Teach, Teacher Evaluation Standard IV: Teachers Facilitate Learning for Their Students, & Standard V: Teachers Reflect on Their Practice)

BASELINE DATA: CONGRATULATIONS!! Everyone completed their baseline PAST & Alphabet Knowledge assessments and entered the data in the MasteryConnect platform before the deadline!! There are still a few outstanding Brigance administrations due to student absences and/or other unforeseen circumstances 😊. Those administrations should be completed before the end of the week.

REMEMBER, all **newly enrolled students** should also have a baseline Brigance assessment within 10 days of enrollment to ensure we have comparative data at the end of the year.

SALAD BAR SEPTEMBER 24: Our first Salad Bar will take place on the Microsoft Teams platform. I will send out the Sign-up Genius via email as soon as it becomes available. I will also add the information to our SharePoint cohort page.

CLOTHING STUDY: When you go to upload the Clothing Study to your online lesson plan template, **choose the ORIGINAL study** NOT the guided one. There are **many** adjustments you must make so compare the [pacing guide](#) carefully with the investigations that are automatically uploaded.

THIS WEEK'S COACHING FOCUS: This week I will continue:

1. Verifying completion of the [Beginning of Year checklist](#) - sections 3-5
2. Verifying technology is present & works (student tablets; teacher iPads)
3. Checking in with Site Directors
