3-Reading (9 Marks)

Brazil grows a lot of high-quality coffee, but not tea. We do not import tea from Japan; theirs is green, not black. When you next go shopping, look at some packets of tea. You will probably read that the tea is from India. So we import tea from India. Canada and Russia grow a lot of wheat and export some, but the USA grows and exports huge quantities. In China, olives are not part of the culture, so farmers there do not grow **them**. Kuwait is a desert country, and the climate is bad for olive trees. There are not many olives from there. However, Palestine's climate is just right. We produce and export a lot of olives and olive oil and the quality is excellent.
