Use the uploaded photo as the ONLY face and identity reference. Keep the exact same face, hairstyle covering one eye, skin tone, facial features, body proportions and identity. Create an ultra-realistic cinematic close-up portrait with a mysterious dark mood. The subject wears a black jacket over a black T-shirt, layered silver chain necklaces, and maintains the same hairstyle and expression. Use a deep black background with a single warm golden spotlight falling diagonally across one side of the face, leaving the other side in dramatic shadow. Keep the same cinematic contrast, soft skin texture, realistic lips, natural hair strands, subtle rim light, shallow depth of field, premium editorial fashion photography, DSLR 85mm lens, ultra-detailed, 8K HDR, vertical 9:16, realistic color grading, no AI look, no cartoon effect, preserve identity perfectly. 9:16

Prompt 📌

****Use the uploaded photo as the ONLY face and identity reference. Replace only the face with the uploaded person's exact identity while preserving the original facial proportions. Recreate the portrait with the exact same composition, 3/4 side-profile camera angle, head tilt, framing and crop. Keep the hairstyle identical to the reference: soft, cute, silky black layered hair with long front bangs naturally covering one eye and the remaining hair tied into a low messy bun. Dress the subject in the exact same premium black high-neck turtleneck and tailored black blazer. Keep the background completely pure matte black with no visible details or ambient light. Use a single soft warm spotlight directly above the head, creating a luxurious glow only on the forehead, nose bridge, cheeks and lips, while the rest of the face fades smoothly into deep shadows. Add a subtle golden rim light around the hair, ultra-smooth skin with natural pores, glossy lips, crisp eyes, luxury fashion editorial lighting, cinematic high contrast, DSLR 85mm portrait, f/1.4, shallow depth of field, 8K ultra-HD, HDR, premium color grading, ultra-realistic, no AI look, no face enhancement, no face reshaping, no beauty filter, preserve the uploaded person's identity exactly while matching the reference hairstyle, outfit, camera angle, lighting, glow and overall premium cinematic mood. 9:16**

Prompt 📌

****Use the uploaded photo as the ONLY face and identity reference. Preserve the exact same face, identity, facial structure, jawline, eyes, eyebrows, nose, lips, skin tone, hairstyle, hair texture, body proportions and natural appearance. Do not change the person's identity in any way. Recreate the portrait with the exact same composition, camera angle, framing, crop, head tilt and fashion styling as the reference. Keep the hairstyle exactly the same: soft, fluffy, slightly messy black layered hair with natural volume and long front bangs falling over the forehead. Dress the subject in the exact same premium black open-collar shirt with the same black round sunglasses featuring side chains, the same black ring and the same luxury stainless-steel wristwatch. Keep the exact same hand pose naturally covering part of the face. Use a deep matte black background with almost no visible details. Illuminate the portrait using a single soft spotlight from directly above, creating a luxurious black cinematic glow that highlights the hair, hand and face while the background remains almost completely black. Maintain high contrast, soft shadow transitions, subtle rim light around the hair, realistic skin texture, sharp details, premium editorial fashion photography, DSLR 85mm lens, f/1.4, shallow depth of field, ultra-realistic 8K HDR, premium luxury color grading, vertical 9:16. No AI look, no cartoon effect, no beauty filter, no face reshaping, no identity changes. Preserve the uploaded person's identity exactly while matching the same hairstyle, outfit, pose, camera angle, black glow lighting, mood and premium cinematic style. 9:16**
