

5th GRADE - Kunze

Classroom Lesson Plans

Log-in Info, Usernames and Passwords for online programs will be sent to each student's home individually. (*ST Math, Epic Books, IXL, The Typing Club*)

Writer's Prompt: Work with your student on this

- Have your student write the prompting sentence on a piece of paper
- Help your student come up with 3 different things when answering
- Have your student write them all down with your help for spelling to make a sentence
- Have your student draw a picture to show the responses

Epic: Read with your student for 20 minutes

IXL Math: Select any of the Teacher's Recommendations that your student did not get 100% on yet.

ABCYA: Click on one of the grade levels (1st, 2nd, or 3rd) and then one of the two options listed below in the chart.

ST Math: Log in and continue the program from where your student stopped at before.

The Typing Club: Log in and continue the program from where your student stopped at before.

BrainPop Jr.: Click on the links to watch videos.

Science/Social Studies: Will have worksheets and will be included in individual emails to all parents that contains usernames/passwords/etc.
