In this article, we will tell you about four different types of wigs there advantages, and from where you can buy the best quality of these wigs. So continue reading if you want to find the ideal wig for yourself.

### **Colorful wigs**

If you want a very unique look completely different from your normal hair. Then we recommend you to buy [colorful wigs](#) not only these are the best choice for you when you want to change your overall look but don't want something that is permanent. In this case colorful wigs are the best option for you.

#### **Advantages of buying colorful wigs**

1. Save the natural hair of the wearer from the damage.
2. The best choice for those people who want to change their overlook in a very short amount of time.
3. Best for those people who want to drastically change their hair color but don't want something permanent.
4. Best for those people who do not want to dye or bleach their natural hair.

## Curly wigs

These days' curly wigs are very much in trend. The reason for this popularity is that normally getting a perfect curly hairstyle is very hard you need to invest lots of time and money into this perfect hairstyle. If you buy a curly wig it makes it much easier to get the perfect curly hairstyle not only saves time but also money. You do not have to go to the salon frequently to touch up your curly hairstyle. If you want to know where you can buy the best quality curly wigs we would recommend a store for you .You can buy them from luvmehair they have the best quality curly wigs that are well worth your money.

### Advantages of buying curly wigs

1. Normally if you want to get the perfect curly look you need to use the heat styling tool which will damage your hair if you used them for a long time but a curly wig saves your natural hair from the damage
2. It offers style versatility as normally curly wigs come in different lengths, colors, textures, and styles so the wearer has a lot of options to choose from.

## Glueless wigs

[Glueless wigs](#) are one of the most sold wigs in the wig industry. The reason behind their popularity is how easy these wigs are to install and remove. Unlike other wigs where you need to use glue and adhesive to install them .These wigs come with combs, bands, or clips there are already installed in the cap to help you secure this wig. Normally this wig comes with a combination of installing methods like there is an elastic band that allows you to tighten and secure the wig around your head but combs are also there attached to the cap for additional tightening.

## Throw on and go wig

Throw on and go wig is one of the special types of wigs that you might have not heard about before. This type of wig as you can tell by its name is a wig that is very easy to install and does not need you to style it. Luvmehair is the exclusive producer of this wig.

### Advantages of buying throw on a go wig

1. No glue  
One of the best things about this wig is that this wig is glueless which makes it very easy to install.
2. Throw on and go  
One of the advantages of this wig is exactly like its name you just need to throw this wig on your head and you're just good to go.
3. The bangs looks good  
This wig comes with bangs. Bangs are trending these days and if you don't want to try these bangs on your natural hair then this wig is perfect for you.
4. Easy style and easy manage  
As this wig comes pre-styled and normally has a little elasticity in it which allows this wig to keep its original style, because of this reason you do not need to do a lot to style this wig and overall this wig is very easy to manage.
5. Short length  
This wig normally comes in short lengths which makes it a perfect choice for this hot summer weather.

These are some of the advantages out of many that you will get if you buy a throw on and go wig. Now if you are interested in buying a throw on and go wig we will recommend you to visit the

luvmehair store. As this store is the exclusive producer of throw on and go wigs this means you cannot buy this wig from any other store.

## **Conclusion**

All four types of wigs have their advantages. Colorful wigs are best for those people who want an instant change in their look completely different from their usual hair color. Curly wigs are for those people who don't want to spend so much time and money to get that perfect curly hairstyle. Glueless wigs are for those people who do not want to deal with glue and adhesives to install their wigs. Throw on a go wig is for those people who want something that is very easy to install and doesn't need a lot of time for styling. Out of these four types of wigs which one you should buy depends on your requirements. We hope after reading this article buying your next wig will be easier for you.
