You can hear their stories, collected around the country from Tallaght to the Galtees, at a celebratory event on **Saturday 29 June** in the **Old Ground Hotel, Ennis**.

Refreshments served at **1.30pm**.

“So far we have worked with groups from Kerry to Dublin, from Meath to Galway and from Cork to Westmeath. On Saturday you’ll hear stories about Shamrock Rovers Fans club, the railwaymen of Tullamore, the making of Limerick Lace, sheep-herding on the Galtees and more.” says project manager, Paula Carroll.

“Dr Maura Cronin, founder of the Oral History Centre at Mary Immaculate College / UL will be present on Saturday and will give a response to the work presented by this new crop of oral historians. The event is free and all are welcome.” she concluded.
