

HUM 100 Cultures and Artifacts Worksheet

Complete this template by replacing the bracketed text with the relevant information.

Part 1

Culture/Subculture	Object	Influence of Culture on the Object
Indian	Horse	Horses have attained a key historical identity among the descendants of Indian clans. They share a sense of power as well as resilience attributes that are part of Indian culture
Dallas	Cow boys' jacket	The Dallas wannabe look is a key social perception. It is often associated with the rugged, grizzled knight of the wild west. The rugged jacket is associated with masculinity as well as be adopted by cowgirls. This object often associated with rodeo rider communicates hard work and good feeling associated with this wear in Dallas. It portrays the Dallas outdoor and do_i_ all attitude associated with this culture.
American	National flag	The flag is a key political instrument in American culture. It communicates the unique structural integrity and independence. It has 50 stars, and 13 red and white stripes represent freedom and unity within American soil.

Part 2

To complete the second table, select three reasons for creating an artifact from the resources provided, or provide your reasoning.

Reason	Example of Artifact	Creator
Create peace	The Armistice of 1918	Germany and United States
Common origin	National anthem (The Star-Spangled Banner)	Francis Scott Key
Improving relations	Statue of liberty	Frédéric Auguste Bartholdi

Select one of the artifacts and answer **one** of the following questions in one to two paragraphs:

- Do you believe the creator was successful in achieving their purpose? Why or why not?

Yes, the creator of the statue of liberty was successful in achieving the purpose. The statue of freedom reinforced the historical relations between France and America. Over time, it has found a deeper meaning that resonates with the creator's intention of celebrating America's liberty and freedom to all. The author's humility is depicted in the effort, and hard work taken to sculpture the piece of art and transport it to American across the

Atlantic. The artistic intentions are exceeded because the artifact has attained profound meaning and purpose over time within the American society.
