Good morning, Cabin John Cougars! Happy Monday. Today is May 19th which means it's National Devil's Food Cake Day for all of our chocolate lovers. A quick Monday morning congratulations to our Girls on the Run team who had their 5K yesterday and our Paint the Plow team who created a beautiful art piece on People, Purpose, and Presence that was in the competition with 10 middle schools across the county. We can't wait to hear the results! ([National Day Website](#))

1884: The Ringling brothers opened a small circus in Baraboo, Wisconsin, on this day in 1884 and by the early 20th century had transformed it into the Ringling Bros. and Barnum & Bailey Circus, the leading American circus.

Today for Jewish American Heritage Month, we recognize Jewish American Paul Krugman, who is a Princeton University professor who won the Nobel Prize in 2008. His study of economics and his writing for the New York Times informs and connects us as to how actions by individuals, corporations and nations can have a profound impact on society and civilization.
