Loudountestprep.com

Need some extra help for your student this fall? Loudoun Test Prep is creating Learning Pods that will track with Riverside High School subject curriculum. If you're interested, fill in the interest form [here](#).

A hand-drawn diagram on a whiteboard. At the top, three mathematical equations are written in black marker: $\frac{65}{12}q = (1A + \frac{4}{8}) + (10 + \frac{2}{3}q)$, $\frac{3}{4} = P(48 + 13C)(35 - 18q)$, and $q\frac{65}{P} = \frac{3}{4}(\frac{P}{65} - \frac{C}{13})(88 + 122)$. Below the equations is a triangle with vertices labeled A, B, and C. The triangle is divided into two sections by a vertical line from vertex C to the base AB. The right section is shaded with diagonal lines. A hand with pink nail polish is holding a white marker, pointing towards the diagram. In the top right corner, there is a logo of a ram's head with blue and red horns. In the bottom right corner, there is a logo for LTP (Loudoun Test Prep) featuring a blue oval with 'LTP' and two yellow stars. At the bottom left, the text 'Riverside HS LEARNING PODS from LTP' is written in a bold, blue, sans-serif font.
