Glamping is glamorous camping at The Wooly Horse, a weekend filled with creating, fun, and lots of pampering. Meals and campers with full bathrooms are included in this fun filled weekend, but please bring your own bedding. You will be working on projects of your choice that you bring for 3 days without any worries, enjoying lovely country views and laughter galore, on the beautiful porch or in the wool shop!!! This year's activity will be creating rustic flowers. You can purchase wool for this project or bring your own. (This project is by choice, not required.) So come join us for 3 fun filled days in September here at The Wooly Horse. If you have questions call or email Jenny Smallridge at 937-302-0769 or jsmallridge95@gmail.com.
