How do prescriptions work?

Prescriptions allow you to order individual herb formulas. A Chinese medicine doctor will likely advise you which formulas to order, and may even help you fill in the order on the website.

1. Select the "Prescriptions" tab at the top of the page.

The screenshot shows the Fuheng Herbs website interface. The browser address bar displays "fuhengherbs.com". Below the navigation menu, the section "HERBS" is displayed. Four jars of herbs are shown in a row, each with a label and a price tag below it:

How can I receive 20% off on my purchases?

Note: You do not have to join the member program to receive a discount on your purchases.

There are three ways you can receive your 20% discount:

1. You can enter someone's discount code during checkout
2. You can click on someone's discount link or paste it into your browser
3. You can scan someone's discount QR code using your phone prior to checkout

When you make a purchase in one of these ways, you receive your discount and your friend will receive a commission as well. You only need to use one method to receive your discount. If your friends are unsure how to find their discount codes, they can refer to [this question](#).

Alternatively, you can scan our QR code below. However, your friends and family will not receive a commission on those purchases.

Depending on your device used, you may need to re-scan the QR code or re-enter the discount code before each purchase to ensure you receive your discount.

Scan to receive a 20% discount:

What does the member program allow me to do?

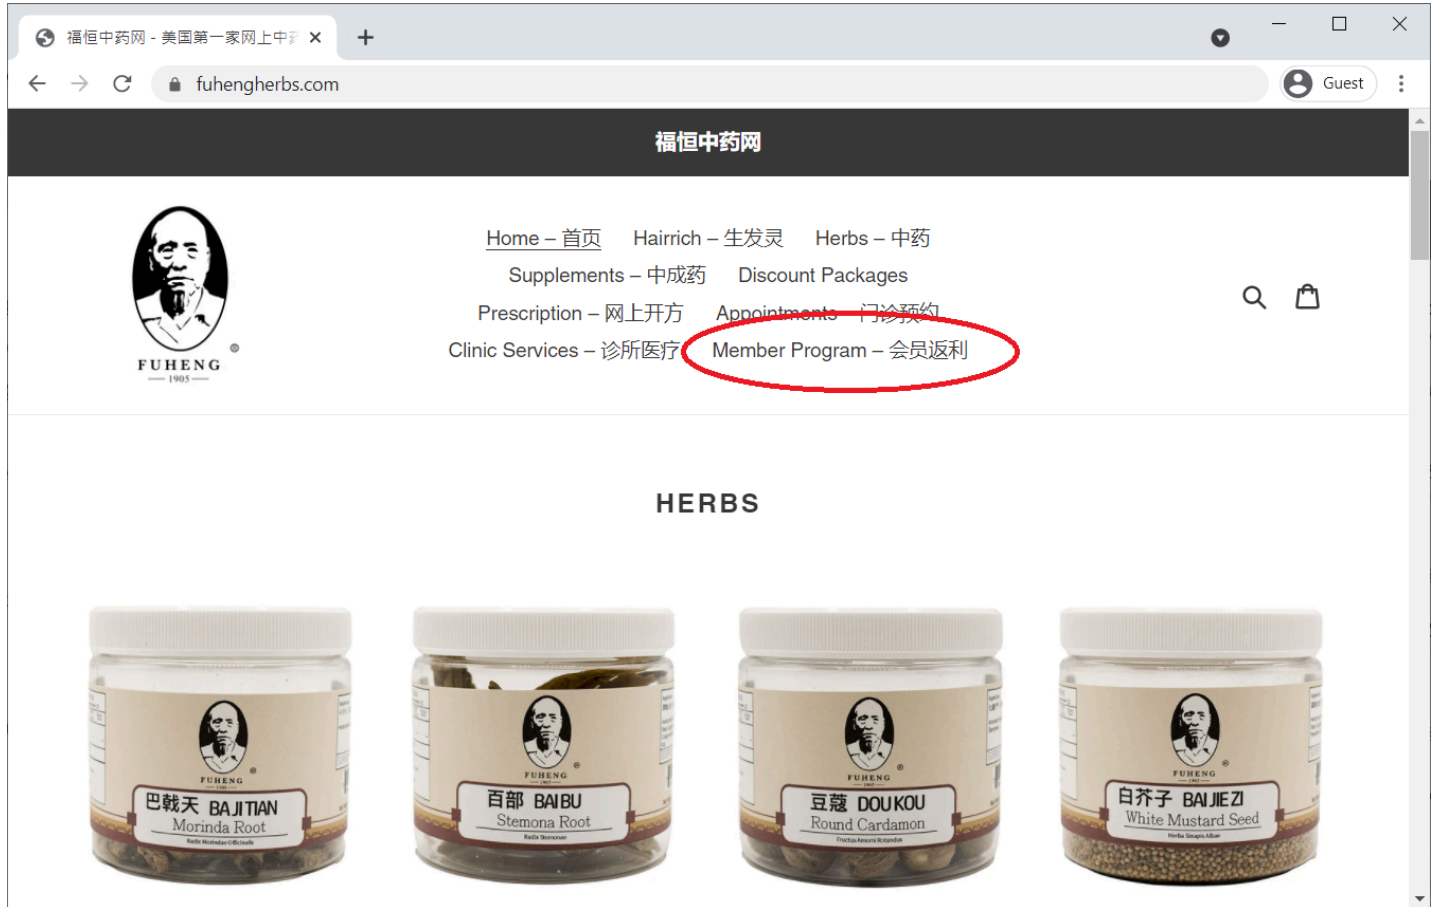

Note: Joining the member program will not give you any discounts on your own purchases. Please see the [above question](#) to learn how to receive a discount on your purchases.

The member program allows you to earn commissions by referring others to our website. There are two main ways you can earn commissions:

1. When you refer someone to our website and they make a purchase, they receive a discount and you receive a commission. ([More details](#))
2. When you invite someone to join the member program and they earn a commission by referring sales, you receive a commission as well. ([More details](#))

How do I join the member program?

1. Click on the "Member Program" tab at the top.

2. Click the “Join Now” button at the bottom of the page.

How can my friends receive 20% off on their purchases and I can receive a 20% commission?

Referring sales is the main way you can earn commissions. This section will describe the different methods for referring sales and how you can share them with your friends.

To earn commissions you will first need to sign up for the member program. Please refer to [the above question](#) to learn how to join.

How it works

Once you sign up for the program, the system will generate a discount link and a discount code for you. You will share these with your friends so that they can use your link or code to make purchases. When your friends make a purchase using your discount link or code, they will receive a discount and you will receive a commission.

Your Main Discount Link

Your discount link is one of the primary ways you earn commissions and your friends receive discounts. Once someone clicks on your discount link or pastes it into their browser, all the purchases they make will generate commissions for you.

After clicking your referral link, their discount and your commission are automatically applied at checkout. No additional work required.

The system will connect your friend's email to your affiliate account so that you can earn commissions regardless of which device or browser they are using. However, this means that your friend will need to use the same email for their subsequent purchases for the system to know that you referred them.

Sharing your Discount Link

As your friends will need your discount link to receive their discounts, it's important to share it with them. There are a number of ways you can do this.

One way is to simply copy the discount link and paste it wherever you need. Your dashboard has a "Copy" button next to your discount link which will copy the link to your clipboard. You can then paste the link in an email, Wechat message, text message, Facebook post, etc.

Alternatively, a QR code is also available, which can be scanned by your friends. Press the QR symbol next to your discount link, and your QR code will appear. Your friends can directly scan the code, or you can take a screenshot of it to send to your friends or post on social media.

Your Discount Code

Your discount code is the second main way you earn commissions and your friends receive discounts. Once someone applies your code at checkout, all the purchases they make will generate commissions for you.

The system will connect your friend's email to your affiliate account so that you can earn commissions regardless of which device or browser they are using. However, this means that your friend will need to use the same email for their subsequent purchases for the system to know that you referred them.

A discount code is automatically generated for you when you sign up. Your discount code can be changed anytime from your affiliate account settings.

Sharing your Discount Code

As your friends will need your discount code to receive their discounts, it's important to share it with them. There are a number of ways you can do this.

One way is to simply copy the discount code and paste it wherever you need. Your dashboard has a "Copy" button next to your discount code which will copy the code to your clipboard. You can then paste the code in an email, Wechat message, text message, Facebook post, etc.

Marketing Resources

We also have pre-written marketing resources for you to use that include your discount link and discount code. The Facebook and Twitter resources will open those sites directly, while the Wechat / text message and email message will be copied to your clipboard.

The screenshot shows the 'Affiliate Portal - Fuheng' interface. At the top, the browser address bar displays 'fuhengherbs.com/pages/affiliate#' and the user is logged in as 'Guest'. The main content area is divided into several sections:

- Sales**: \$0.00
- Balance**: \$0.00
- YOUR MAIN DISCOUNT LINK (PROVIDES A DISCOUNT TO YOUR FRIENDS)**: A text box contains 'https://fuhengherbs.com/john-smith', followed by a QR code icon and a 'Copy' button.
- YOUR MAIN DISCOUNT CODE**: A text box contains 'jsmith', followed by a 'Copy' button. Below this, a note states: 'Every order made with this discount code will be marked as referred by you.'
- YOUR PARTNER REGISTRATION LINK**: A text box contains 'https://fuhengherbs.com/registration/john-smith', followed by a QR code icon and a 'Copy' button. Below this, a note states: 'Invite people to your network using this link.'
- SOCIAL MEDIA RESOURCES**: This section is circled in red and contains four icons: Facebook, Twitter, Post (email), and Message (chat).

On the right side, there is a 'PROGRAM DETAILS' box showing 'Your Reward' as '20% for every paid order' and 'Friend Reward' as '20% off for order'. Above this box, the text 'displayed below.' is visible.

How can I invite others to join the member program? What benefits will I receive?

Note: This is an advanced feature you can use to earn additional commissions. If your friends are only interested in making purchases, these steps are unnecessary. These steps will not provide any discount or commission on your friends' purchases. Please refer to [this question](#) to learn how your friends can receive a discount on their purchases.

If your friends are interested in earning commissions themselves, they can join the member program and refer sales. By inviting them to join the program, you earn a commission any time your friend earns a commission. 1

How it Works

1. You share your partner registration with your friend.
2. Your friend clicks on the link and signs up for the member program. Your friend is now in your MLM tree.
3. Your friend shares their discount link or code, and someone else makes a purchase using their link or code.
4. Your friend receives a commission on the sale, and you receive a commission as well.

Important note: Even though you have invited someone to join the program, you will not earn a commission on the purchases they make unless they also use your discount link or discount code as described in [this section](#). The two links serve different purposes.

Sharing your Partner Registration Link

Similar to your discount link, your partner registration link has a copy button and QR code button that can be used to share your link with your friends.

After you copy your link to your clipboard, you can then paste the link in an email, Wechat message, text message, Facebook post, etc.

Alternatively, a QR code is also available, which can be scanned by your friends. Press the QR symbol next to your discount link, and your QR code will appear. Your friends can directly scan the code, or you can take a screenshot of it to send to your friends or post on social media.

The screenshot shows the 'Affiliate Portal - Fuheng' interface. The user is logged in as 'John Smith'. The dashboard includes a welcome message, program details (20% reward for orders), and three main sections for sharing links and codes. The 'YOUR PARTNER REGISTRATION LINK' section is highlighted with a red circle.

How can I check my balance and receive my commission?

Click on the menu bar in the top right and select "Payments."

The screenshot shows the Fuheng Affiliate Portal interface. At the top, the browser address bar displays "fuhengherbs.com/pages/affiliate#" and the user is logged in as "Guest". The website header includes the Fuheng logo and navigation links in both English and Chinese: Home – 首页, Hairrich – 生发灵, Herbs – 中药, Supplements – 中成药, Discount Packages, Prescription – 网上开方, Appointments – 门诊预约, Clinic Services – 诊所医疗, and Member Program – 会员返利. A search icon and a shopping bag icon are also present.

The main content area greets the user with "Hello John Smith". Below this, there are four summary cards: Clicks (1), Orders (0), Sales (\$0.00), and Balance (\$0.00). A section titled "YOUR MAIN DISCOUNT LINK (PROVIDES A DISCOUNT TO YOUR FRIENDS)" shows a link "https://fuhengherbs.com/john-smith" with a "Copy" button.

On the right side, there is a sidebar menu. The "Payments" option, represented by a credit card icon, is highlighted with a red circle. Other menu items include Dashboard, Analytics, Marketing Resources, My Network, Contact, Settings, and Logout. The "WELCOME!" section provides a brief overview of the dashboard's purpose, and the "PROGRAM DETAILS" section lists rewards: "Your Reward 20% for every paid order" and "Friend Reward 20% off for order".

The URL at the bottom of the browser window is "https://app.growthhero.io/?embedded=true#/c/jiashang/p...".

From here, you can view your commission balance as well as the amount ready to be paid out (there is a 30-day waiting period on commissions to ensure there weren't any returns or cancelations).

You must enter a Paypal email to receive your payouts. If it's missing, you will be prompted to enter it. Payouts will be done manually by the company for the accounts that have a Paypal email entered. At any time, you can also generate a discount code for yourself, which you can use on our website.
