

Long form copy

Target market: people who struggle with alcohol addiction

PDF file used:  canned_a_feeling.jpeg

Headline: The drinking hack that will force you to quit alcohol in two months.

Lead: Most people spend years trying different methods and substitutes like caffeine and chewing gum to help quit alcohol but we have a much easier solution that only takes a few months.

You have probably tried to quit your addiction before and that first week or two is always the hardest.

Not only do you have to fight against your urges, but you also have to deal with hand tremors, retching, excessive sweating, restlessness, and anxiety which could be unbearable at times.

But rest assured it is entirely possible for someone to go from straight substance junky to clean as a whistle.

Luckley for you we have a much easier solution.

And it's all thanks to this carefully crafted recipe that lightens the mood and calms the mind.

Body: here's a discovery story from someone that learned the sober man's secret to turn his life around.

Long story short They were going to give up on me...

It all came crashing down at once.

After years of back and forth and ultimatums my family and friends were ready to give up on me.

My wife was ready to divorce me and take the kids, my parents were ready to disown me, and none of my friends had my back.

This was a very low point in my life.

I was given one month to quit my addiction or I was on my own.

So I had only two options: stay a drunken low life for the rest of my days or tuff it out and kick this addiction now.

The choice to make was obvious.

Then I discovered a secret that cured my addiction for life.

Lucky for you you don't have to go through all that because here recess we have your best interest in mind.

close: These specially crafted mocktail drinks are made to help you become the selfcaring high performance individual you have been dreaming about.
