Descriptions

Home - MIDS Homepage with a basic introduction and important notifications

Information Elements and Levels - Normative document containing information elements and levels. This is an adjusted version of the standard terms page (see examples below)

Mappings - The mappings page is a non-normative document dedicated to presenting the contents of the SSSOM mappings data files. The content of this page is expected to increase as more standards are mapped to MIDS. The mappings found on the information elements page is a subset of the information found on this page. Each mapping is assigned an anchor link to facilitate persistent URIs

About MIDS - Extended informative content regarding MIDS, analogous to the Latimer Core wiki

Tools - Additional informative resources not covered by the mappings or information elements pages.

Components

Compartmentalized components of the MIDS documentation website pages

Home

- A. Short intro
- B. Links
- C. Quick start

Information Elements and Levels

- A. Levels Summary Table (similar to the required terms table found here:
<https://lrc.tdwg.org/quick-reference/index.html>)
- B. Information Element Index (see <https://lrc.tdwg.org/terms/index.html#4-term-index>)
- C. Information Elements and Levels Table (see
<https://lrc.tdwg.org/terms/index.html#5-vocabulary>)

Mappings

- A. Summary of standards mapped to MIDS (DWC and ABCD)
- B. Mappings Table - This page is similar in structure to the Quick Reference Guide in terms of content. Each mapped term has a table with a basic set of information. Tables are grouped by standard.
