

Turbo Overkill: Digital Deluxe Edition

Launching alongside the standard edition, the **Turbo Overkill Digital Deluxe Edition** offers players a deeper dive into Johnny Turbo's chaotic world with a curated collection of premium extras:

- A **42-page digital prequel comic**, "**Turbo Overkill: Original Syn**," exploring Johnny's life before his cyber-augmentations and expanding the game's backstory. The comic's cover was illustrated by **Dave Johnson**, the Eisner Award-winning artist renowned for his work on *Batman*, *Superman: Red Son*, *X-Men*, *Deadpool*, and the critically acclaimed *100 Bullets*. The comic will be available for **FREE** to the public on Amazon via Kindle and comiXology in March 2025, and at participating digital storefronts (Steam, GoG, and Epic Games Store).
- A **comprehensive 140-page digital artbook**, featuring early concepts, models, and behind-the-scenes design and gameplay insights—including ideas that didn't make the final cut. Digital Deluxe owners will receive access to the digital artbook, or access can be purchased separately on Amazon (Kindle + comiXology) for \$3.99 in March 2025.
- A **35-minute soundtrack sampler** delivering a thunderous fusion of *Turbo Overkill's* signature sound—cyberpunk grit, heavy metal intensity, and sweeping symphonic arrangements—crafted by composers **Chipper Hammond**, **Nikola Jeremic**, and **Tim Stoney**. This exclusive tracklist showcases the game's dynamic musical range, blending searing guitar riffs, cinematic orchestral swells, and heart-pounding electronic pulses for the ultimate adrenaline rush.

All premium extras will be available in the **Digital Deluxe Edition** on console platforms that support them, giving fans an expanded experience of *Turbo Overkill's* brutal cyberpunk universe.

Standard and **Digital Deluxe Editions** will be available for **USD \$19.99 / \$24.99** respectively, with an option for Standard Edition owners to upgrade to the **Digital Deluxe Edition** for **\$4.99**, granting **All-In-One** access to the **artbook**, **soundtrack sampler**, and **prequel comic**.

For those looking to explore the world of *Turbo Overkill* even further, [Turbo Overkill \(Selections from the Game Soundtrack\)](#) is available now as a standalone release on music platforms including [Spotify](#), [Apple Music](#), [YouTube Music](#), and [Bandcamp](#).

For superfans, the ***Turbo Overkill: Episode One (The Complete Soundtrack)*** will offer over 90 minutes of music, featuring every cue from Episode One + bonus tracks, releasing next week. Albums for Episodes 2 and 3 will follow in the coming weeks.
