

Welcome to Education 200

Hello and welcome to Fall semester!

My name is Laurie lunker (last name starts with an "i" but looks like a lowercase "L") and I will be your instructor this semester! I hope you are as excited as I am that you are taking this class.

Our class begins **Monday 8/21** and runs until 12/16. This is a fully asynchronous course so there are no set meeting times. However, I will be happy to meet with any or all of you if you would like to come to my office or schedule a Zoom meeting. Canvas is where our class will be taking place.

To successfully log in use the following Student Canvas login instructions:

- [Our SDCCD Canvas Login](#)
- Username: 10-Digit Student ID
- Password: 8-Digit Birthdate (MMDDYYYY)
- Canvas Student Support: 1-844-612-7421

Our class is fully online, and there are required activities to complete in order to stay actively enrolled. Please log in and finish the following Week 1 Work which is due by **Sunday, 8/27 @ 11:59PM. Items for the first week:**

1. Read through the Orientation module (includes our syllabus) and submit:
 - a. "Getting to Know You" Survey
 - b. "Creating Community" Discussion Board
2. Read through Week 1 module and submit:
 - a. Ignite Discussion Board
 - b. Paths to be a Teacher assignment

**a little note: Students who don't complete the required first week activities by the due date will be dropped from the class for no-show. If you need help with canvas, contact me asap.*

Required Materials:

This is a **zero cost textbook** course. You will not need to purchase any materials; all materials will be provided to you on Canvas. However, if you prefer hard copies (which I typically do), [here is a link](#) to the book we will be diving into.

That's it for now! I hope you know I am here for you and your success this semester! Please do not hesitate to reach out to me if you have any questions regarding the class. I look forward to meeting you all.
