

GOOMBA [100000 RANK POINTS]

- You can now legally be called a goomba. Congrats!

KOOPA TROOPA [250000 RANK POINTS]

- Koopas with wings. So dangerous!

SHY GUY [500000 RANK POINTS]

- I don't get why you're shy since you've clearly been quite active in the chat to get here... anyways, congrats!!

Boo [1750000 Rank Points]

- I mean, you're now literally a ghost of your former self. Pretty spooky, in my opinion.

- Becoming the world's most athletic plumber is not a small feat. I hope you're ready for this.

LUIGI [2345678 RANK POINTS]

WARIO [2500000 RANK POINTS]

- Wario is beefy and has... some qualities I guess?

- You are now the villain. Good job! You kinda suck at it though, no offense. 😈

WALUIGI [3000000 RANK POINTS]

- The god himself, even more powerful than me, in some ways. I mean at this point what else is there I can give you? A hug?

... yeah actually that sounds pretty good. I'll give you a virtual hug.

YOSHI [3500000 RANK POINTS]

- Yoshi > Mario. Fight me.

- The goddess of Power and creator of all material. Even more power to you (Literally 2x the power. Totally crazy!)

NAYRU [5000000 RANK POINTS]
