

Maybe when winterizing the Husqvarna, each year I tune-up the general generator.

**Items needed:**

Keys to the generator

1 Air Filter – GEN-0C8127 - <https://www.amazon.com/gp/product/B000HECT6C/>

1 Oil Filter – GEN-070185ES - <https://www.amazon.com/gp/product/B008TVTCGK/>

2, One-Quart Bottles of SAE 10W-30 Oil - <https://www.amazon.com/gp/product/B07C5QWHN6/>

2 Spark Plugs – GEN-0E7585A - <https://www.amazon.com/gp/product/B000HE969A/>

1 Funnel

Shop Towels

Oil catcher bucket

Instructional video (also I have a youtube playlist covering how to do a tuneup):
