This I Believe Essay

14 September 2022

Unique Title of My Paper

This is the body of my paper. The text is a common font like Times New Roman, Calibri, Arial, or Cambria. The size of the font is 11 or 12 point. The text is double or 1.5 spaced. I indent the first line of each new paragraph by ½ an inch (1 tab).

If I quote from a source, I use “quotation marks” to distinguish my words from my source’s, as in the following example: The “simple, if difficult invitation” of *This I Believe* is to “write a few hundred words expressing the core principles that guide your life—your personal credo” (Allison 1).

If I must quote at length from a source (more than 4 lines), I use a block quote like this. The block quote is 1 inch from the left margin. I do not use quotation marks, and the parenthetical citation appears at the end of the block, outside the period. (citation)

When I have finished the block quote, I return to normal formatting. It is preferable to wrap up the paragraph after a block quote before starting a new one.
