STAFFING

- We have two teacher positions that are not filled and that we do not anticipate filling for this upcoming school year. We are hopeful to be early in the hiring process this next year to get both positions filled.

ATURA UPDATE

- Atura has continued to work on designs and concept for the Fieldhouse project. We have entered into this project with the objectives of:
 - 1. Providing More Court Space
 - We have around 70 Middle School girls who attempt to practice volleyball in one gym every fall.
 - We have 8 basketball teams that compete during the same time of the year with two full-size courts available.
 - 2. Providing More Wrestling areas
 - With the addition of Middle School and High School Girls' wrestling, we often practiced on the PAC stage this past year.
 - 3. Larger Weight Room
 - Our current weight room is not capable of housing many of our sports teams at one time.
 - 4. Track Opportunities
 - Norther Iowa limits track opportunities for our students. Creating an environment for them to practice in would be valuable.

BOARD RETREAT

- We are hoping to finalize our Board Retreat Date for the week of August 7th. Would August 8, 9, or 10 work from 5:00 - 7:00 pm? Topics that we have currently on the Agenda are: 1) Facility Planning 2) Future School Schedules 3) Assessment Data/Instructional Framework 4) Early Retirement Program
