Translation:

【All】Do you like me? Do you love me?
If you say you're in love with me,
Is the "gap" OK? Is everything OK?
Just for today, as a special treat, let me be spoiled

【Rj】Lately, I find myself zoning out, thinking
【All】About when we first met
【Ra】Weren't the four of us trying too hard to be cool,
【All】Too sharp-edged?
【Ai】The more we walk together, the more I want to show you
【Ca】The key to my true feelings and true self has been unlocked

【Rj】A little relaxed, a little more casual
【Ra】Isn't it fine to be different from usual?
【Ai】I'll give you a sly little wink
【Ca】Is it okay, even if I'm a grown-up?

【All】Do you like me? Do you love me?
Today, let me give you a "chu"?
Because we've been together for years, I can do this with you
【Rj】The bitter moments,
【Ra】And the sweet ones too,
【Ai】Piling them up
【Ca】Turning them into love
【All】This huge, huge
Feeling of gratitude, through so many songs

【Rj】The view from the stage is actually quite good
【All】I can see you,
【Ra】And when our eyes meet, it's like, "Let's do this", Baby
【All】Let's Hug each other tighty
【Ai】To find the heart that lies
Beyond the backlight,
【Ca】I'm Searching over my microphone, "Where is your smile?"

【Rj】Look, sometimes, this side of us
【Ra】Hey, isn't it a bit much?
【Ai】But when we do something, we go all in
【Ca】That's what KARUNAI-ism is all about

【All】Do you like me? Do you love me?
Today, I'm giving you a "chu"
Even a single blink won't do during our Party song
【Rj】The cuteness,
【Ra】The coolness,
【Ai】The danger level too
【Ca】Is No.1
【All】My straightforward Kiss
Even though it might be a little embarrassing, please accept it, Dear

【Rj】Ramp up the sugar content of LOVE
【Ra】LOVE… Damn, this is still kinda hard to do
【Ai】LOVE… This time is special, okay?
【Ca】Devote your LOVE to me

【All】...LOVE

【All】Do you like me? Do you love me?
Today I gave you a "chu"
It's a wonderful relationship where I can show you everything
【Rj】The bitter moments,
【Ra】And the sweet ones too,
【Ai】Piling them up
【Ca】Turning them into love
【All】This huge, huge
Feeling of gratitude, through so many songs
