Utility Box Artwork Submission

Name of artist/s with email address/es:

Description of Artwork:

Explain how the subject and style of your artwork relates to:

1. **The Site's LOCATION** (Consider its physical features and landscape, what activities take place at and around the site, the area's history and future. Your designs must relate to the location of the boxes in at least one of these ways!)

2. The AUDIENCE (Who will see these boxes? How will your design relate to and engage them?)

3. Your MESSAGE (What is your purpose? What are you communicating? How is this appropriate and meaningful to your audience and the community?

4. What is your COLOR SCHEME and how does it affect the mood of your art piece and reinforce your purpose? (Basic color schemes are Analogous = similar colors, next to each other on the color wheel, Complementary = highly contrasting colors, opposite each other on the color wheel, Triadic = 3 colors with medium contrast, equidistance apart on color wheel, forming a triangle, Monochromatic = One color with value, tone and intensity changes)

Your designs must be original!! You may not copy another artist's artwork!
Draw and color your design in the templates on the reverse side of this page.
