

CAST PARTY

The cast party will take place following the strike (clearing of the stage and resetting the theater following the show) on May 2, 2021 in the Leigh High School PAC. It consists of food and a movie in the theater and is meant as a fun bonding and destressing activity. Typically it runs from 6:30-9:00pm (depends on the length of the movie) While the cast party is not mandatory to attend it is meant to be a fun experience for all and is highly recommended. Please bring blankets and pillows as students will be sitting on the concrete steps of the house, and on stage.

Party rules

- 1) Treat your fellow cast, tech, and band members with respect.
- 2) Agree to conduct myself in a manner that will represent myself and Leigh Theater Arts in a positive manner.
- 3) No outside guests. Cast, tech and band only!
- 4) Once you leave the party, you may not return.
- 5) Eat in only designated areas (We will allow the food in the PAC, but in a controlled fashion.)

This party will be chaperoned and you're celebrating your maturity and success...let's not ruin that at the cast party.
