

Favicon Generator Chrome Extension Privacy Policy Last Updated: September 3, 2024

Welcome! Your privacy is important to us. This policy explains how we handle your information when you use the Favicon Generator Chrome extension.

What We Collect

- **Info You Provide:** When you use the Favicon Generator extension, we only collect the image you input to display the Favicon Generator. No personal information is collected.
- **Future Changes:** If we introduce additional features that require user accounts, we'll update this policy to explain how we handle your account information.

How We Use Your Info

- To display the Favicon Generator as requested.
- To monitor extension usage if we introduce quotas or other usage restrictions in the future.

Cookies & Tracking We may use cookies to improve your experience with the extension, but they won't track any personal data.

Security We prioritize keeping your data secure, even though we currently don't store any personal information.

Changes to This Policy We may update this policy in the future, especially if we introduce user accounts or additional features. Check back here for the latest version.
